Reason for and effect of this special resolution

The Company's Mol contains a provision allowing the Company or any subsidiary to repurchase securities issued by the Company, subject to the approval of shareholders in terms of the Mol, the requirements of the Act and the JSE Listings Requirements. This special resolution will authorise the Company and/or its subsidiaries, by way of a general authority from shareholders, to repurchase Ordinary Shares issued by the Company.

The Board has no specific intention to give effect to this special resolution, but will continually review the Company's position, having regard to prevailing circumstances and market conditions, in considering whether to repurchase its own shares.

Once adopted, this special resolution will permit the Company, or any of its subsidiaries, to repurchase Ordinary Shares in terms of the Act, its Mol and the JSE Listings Requirements.

NOTICE OF ANNUAL GENERAL MEETING (continued)

Although no repurchase of Ordinary Shares is contemplated at the time of this notice, the Board has confirmed that the Company and its subsidiaries have passed the solvency and liquidity test and that, since the test was performed, there have been no material changes to the financial position of the Group. - The directors collectively and individually accept full responsibility for the accuracy of the information pertaining to this special resolution and certify that, to the best of their knowledge and belief, there are no facts which have been omitted which would make any statement false or misleading, and that all reasonable enquiries to ascertain such facts have been made and that the special resolution contains all information required by the Act and the JSE Listings Requirements

NOTICE OF ANNUAL GENERAL MEETING (continued)

Explanatory notes to resolutions proposed at the annual general meeting of the Company

Re-election of directors retiring at the AGM – ordinary resolutions number 1 to 3

In accordance with clause 26.3 of the Company's memorandum of incorporation, one-third of the directors are required to retire at each annual general meeting and may offer themselves for re-election. In accordance with these provisions, it has been determined that Messrs J A L Chapman and M P R Morojele and Ms P Mbikwana are due to retire from the Board.

The directors of the Company have reviewed the composition of the Board against corporate governance and transformation requirements and have recommended the re-election of the directors listed above. It is the view of the Board that the re-election of the candidates referred to above would enable the Company to:

- responsibly maintain a mixture of business skills and experience relevant to the Company and contribute to the requirements of transformation, continuity and succession planning; and
- enhance corporate governance requirements in respect of matters such as the balance of executive, non-executive and independent directors on the Board

In addition, the directors of the Company have considered the performance of each of the retiring directors and have reviewed the skills, knowledge, experience, diversity and demographics represented on the Board. The Board is satisfied that the performance of the existing directors continues to be effective and to demonstrate commitment to their roles. Accordingly, the Board recommends to shareholders the re-election of each of the retiring directors referred to in ordinary resolutions numbers 1, 2 and 3, by way of a series of votes, each of which is on the candidacy of a single individual to fill a single vacancy, as required under section 68(2) of the Act.

Abridged *curricula vitae* of the retiring directors appear in Annexure 1 of this notice of AGM.

Re-appointment of auditor – ordinary resolution number 4

BDO South Africa Inc. ("BDO") has indicated its willingness to continue in office and ordinary resolution number 4 proposes the re-appointment of that firm as the Company's auditor until the conclusion of the next annual general meeting.

At a Stor-Age audit and risk committee meeting held on 8 June 2022, the committee considered the independence of the auditor BDO, in accordance with section 94(8) of the Act. In assessing the independence of the auditor, the audit and risk committee satisfied itself that BDO:

- does not hold a financial interest (either directly or indirectly) in Stor-Age;
- does not hold a position, either directly or indirectly, that gives the right or responsibility to exert significant influence over the financial or accounting policies of Stor-Age;
- is not economically dependent on Stor-Age, having specific regard to the quantum of the audit fees paid by Stor-Age and its subsidiaries to BDO during the period under review in relation to its total fee base;
- does not provide consulting or non-audit-related services to Stor-Age or its subsidiaries which fall outside of the permitted or qualified non-audit-related services as specified in the policy for the use of auditors for non-audit-related services and which could compromise or impair the auditor's independence; and
- including the individual registered auditor who undertakes the audit, does not have personal or business relationships of immediate family, close relatives, partners or retired partners, either directly or indirectly, with Stor-Age or its subsidiaries

Accordingly, the Stor-Age audit and risk committee was satisfied that BDO is independent as contemplated by the South African independence laws and the applicable rules of the International Federation of Accountants and nominated the re-appointment of BDO as registered auditor for the financial year ending 31 March 2023. On 14 June 2022 the Board confirmed its support, subject to shareholders' approval as required in terms of section 90(1) of the Act, for the re-appointment of BDO and Mr B Jackson respectively as the independent registered audit firm and individual registered auditor of Stor-Age.

Furthermore the Stor-Age audit and risk committee has, in terms of paragraph 3.86 of the JSE Listings Requirements, considered and satisfied itself that BDO, the reporting accountant and individual auditor are accredited to appear on the JSE List of Accredited Auditors, in compliance with section 22 of the JSE Listings Requirements.

NOTICE OF ANNUAL GENERAL MEETING (continued)

Election of audit and risk committee members – ordinary resolutions numbers 5 to 7

In terms of section 94(2) of the Act, the audit and risk committee is not a committee of the Board, but a committee elected by the shareholders at each annual general meeting. The Act requires the shareholders of a public company to elect the members of an audit and risk committee at each annual general meeting. In accordance therewith the directors should present shareholders with suitable candidates for election as audit and risk committee members.

In terms of the Regulations of the Act, at least one-third of the members of the Company's audit and risk committee at any particular time must have academic qualifications, or experience, in economics, law, corporate governance, finance, accounting, commerce, industry, public affairs or human resource management. As can be seen from the curricula vitae of the proposed members, they have experience in, among others, audit, accounting, economics, commerce and general industry.

At a meeting of the Board held on 14 June 2022 the Board satisfied itself that, among others, the independent, non-executive directors offering themselves for election as members of the Stor-Age audit and risk committee:

- are independent, non-executive directors as contemplated in the Act and in King IV;
- are suitably qualified and experienced for audit and risk committee membership;
- have an understanding of integrated annual reporting (including financial reporting), internal financial controls, external and internal audit processes, risk management, sustainability issues and the governance processes (including information technology governance) within the Company;
- collectively possess skills which are appropriate to the Company's size and circumstances, as well as its industry;
- have an understanding of International Financial Reporting Standards and other financial and sustainability reporting standards, regulations and guidelines applicable to the Company; and
- adequately keep up to date with key developments affecting their required skills set

General authority to directors to issue shares for cash – ordinary resolution number 8

In terms of the JSE Listings Requirements, when equity securities are issued for cash (or the extinction of a liability, obligation or commitment, restraint, or settlement of expenses), amongst others, the shareholders are required to authorise the issue.

The existing general authority granted by the shareholders at the previous annual general meeting, held on 9 September 2021, will expire at the AGM to be held on 1 September 2022, unless renewed. The authority may only be acted upon subject to the Act and the JSE Listings Requirements. The aggregate number of securities capable of being allotted and issued in terms of this authority is limited to 5% of the issued share capital as set out in the resolution.

Amendment to the Stor-Age Property REIT Limited Conditional Share Plan – ordinary resolution number 9

In terms of the JSE Listings Requirements the number of shares that may be utilised in terms of a share incentive plan must be a fixed number, requiring periodic increases as and when necessary. The reason for and effect of ordinary resolution number 9 is to amend the CSP to increase the maximum aggregate number of shares that may at any time be allocated in respect of the CSP and to increase the maximum number of shares that may be allocated to any participant in order to ensure that the allocations of future shares under the CSP fall within the limits of the rules of the CSP. A copy of the amended CSP can be found on the Company's website. In terms of the JSE Listings Requirements, at least 75% of the votes held by shareholders present or represented by proxy at the meeting need to be cast in favour of this resolution (excluding votes attaching to shares owned or controlled by existing participants in the CSP) in order to give effect thereto.

NOTICE OF ANNUAL GENERAL MEETING (continued)

Endorsement of remuneration policy and implementation report – advisory endorsements number 1 and number 2

King IV recommends that the Company's Remuneration Policy be disclosed in three parts every year, namely:

- a background statement,
- an overview of the Remuneration Policy,
- an Implementation Report,

and that shareholders be requested to pass separate non-binding advisory votes on the Remuneration Policy and the Implementation Report at the AGM.

Voting on the two resolutions enables shareholders to express their views on the Remuneration Policy adopted and on its implementation.

The remuneration committee prepared and the Board considered and accepted the Remuneration Policy and Implementation Report thereon, as set out in the 2022 Integrated Report.

The Remuneration Policy also records the measures the Board will adopt in the event that either the Remuneration Policy or the Implementation Report, or both, are voted against by 25% or more of the voting rights exercised by shareholders. In such event, the Company will, in its announcement of the results of the AGM, provide dissenting shareholders with information as to how to engage with the Company in regard to this matter and the timing of such engagement.

Accordingly, the shareholders are requested to endorse the Company's Remuneration Policy and Implementation Report as set out in paragraph 11 of the AGM notice.

Remuneration of non-executive directors for their service as directors for the year ending 31 March 2023 (amended) and the year ending 31 March 2024 – special resolution number 1

In terms of section 66(8) and (9) of the Act, remuneration may only be paid to directors for their service as directors in accordance with a special resolution approved by the shareholders within the previous two years and if not prohibited in a company's memorandum of incorporation. In terms of clause 28 of the Company's memorandum of incorporation, the remuneration of the directors shall from time to time be determined by the Company in general meeting and, as such, the payment of such remuneration is not prohibited in terms of the Company's memorandum of incorporation.

Subsequent to the annual general meeting held on 9 September 2021 the Company appointed PwC to conduct an independent review of the non-executive directors' remuneration and, as a result of the findings, it has been deemed necessary to review the previously approved remuneration basis which was shown to be materially lower than market comparatives. The remuneration hereby sought to be approved, in respect of the financial year ending 31 March 2023, therefore proposes an adjustment to the remuneration previously approved at the annual general meeting held on 9 September 2021 and is to be paid to the non-executive directors who are not remunerated as employees of the Company, as in the case of the executive directors, and will continue for a period of twenty four months.

This resolution is recommended by the Company's directors. Full particulars of all remuneration paid to non-executive directors for their service as directors during the past year is set out in note 29.4 of the annual financial statements, and also in the remuneration committee report which is included in the 2022 Integrated Report, available on the Company's website.

Stor-Age's remuneration committee is satisfied that this remuneration is fair relative to the remuneration paid to non-executive directors of other similar sized public listed companies in South Africa for their service as directors.

NOTICE OF ANNUAL GENERAL MEETING (continued)

Authority to provide financial assistance to subsidiary companies – special resolution number 2

Notwithstanding the title of section 45 of the Act, being “Loans or other financial assistance to directors”, on a proper interpretation, the body of the section may also apply to financial assistance for any purpose, provided by a company to related or inter-related companies or corporations, including, amongst others, its subsidiaries.

Furthermore, section 44 of the Act may also apply to the financial assistance so provided by a company to related or inter-related companies, in the event that the financial assistance is provided for the purpose of, or in connection with, the subscription of any option, or any securities, issued or to be issued by the company or a related or inter-related company, or for the purchase of any securities of the company or a related or inter-related company.

Both sections 44 and 45 of the Act provide, amongst others, that the particular financial assistance must be provided only pursuant to a special resolution of the shareholders, adopted within the previous 2 years, which approved such assistance either for the specific recipient, or generally for a category of potential recipients, and the specific recipient falls within that category and the board of directors must be satisfied that –

- (a) immediately after providing the financial assistance, the company would satisfy the solvency and liquidity test; and
- (b) the terms under which the financial assistance is proposed to be given are fair and reasonable to the company.

The Company would like the ability to provide financial assistance, if necessary, also in other circumstances, in accordance with sections 44 and 45 of the Act. Furthermore, it may be necessary or desirable for the Company to provide financial assistance to related companies and entities to subscribe for options or securities or purchase securities of the Company.

Under the Act, the Company will however require the special resolution number 2 to be adopted. In the circumstances and in order to, amongst others, ensure that the Company's subsidiaries have access to financing and/or financial backing from the Company (as opposed to banks), it is necessary to obtain the approval of shareholders, as set out in special resolution number 2. In terms of the Companies Act, the Company will, however, only be able to exercise the authority granted by the special resolution provided that the board of directors of the Company are satisfied that the terms under which the financial assistance is proposed to be given are fair and reasonable to the Company and, immediately after providing the financial assistance, the Company would satisfy the solvency and liquidity test contemplated in the Companies Act.

Although the existing authorities granted by the shareholders at the previous annual general meeting held on 9 September 2021 will only expire at the 2023 AGM, it is considered good practice to renew this authority on an annual basis, ie at the 2022 AGM to be held on 1 September 2022, and special resolution 2 will therefore be appropriately renewed.

General authority to repurchase ordinary shares – special resolution number 3

The directors wish to be in a position, if and when circumstances are favourable, to have the ability to acquire Stor-Age shares at market prices if deemed advisable by the Board. It is envisaged that opportunities may present themselves in the share market where it may be deemed beneficial for the Company to acquire its own shares.

For these reasons, directors would like shareholder authority to enable acquisitions of Stor-Age shares. As set out in the proposed resolution, such authority will be subject to clearly defined restrictions to ensure compliance with all statutes as laid down by the Act and the JSE Listings Requirements. The Act stipulates that a special resolution is required in order to authorise the Company to purchase its own shares.

2. A proxy appointment must be in writing, dated and signed by the relevant shareholder.
3. Except to the extent that the memorandum of incorporation of a company provides otherwise –

4. Irrespective of the form of instrument used to appoint a proxy –
 - 4.1. the appointment of the proxy is suspended at any time and to the extent that the shareholder who appointed that proxy chooses to act directly and in person in the exercise of any rights as a shareholder of the relevant company; and
 - 4.2. should the instrument used to appoint a proxy be revocable, a shareholder may revoke the proxy appointment by cancelling it in writing, or making a later inconsistent appointment of a proxy, and delivering a copy of the revocation instrument to the proxy and the relevant company.
5. The revocation of a proxy appointment constitutes a complete and final cancellation of the proxy's authority to act on behalf of the relevant shareholder as of the later of the date –
 - 5.1. stated in the revocation instrument, if any; or
 - 5.2. upon which the revocation instrument is delivered to the proxy and the relevant company as required in section 58(4)(c)(ii) of the Act.
6. Should the instrument appointing a proxy or proxies have been delivered to the relevant company, as long as that appointment remains in effect, any notice that is required by the Act or the relevant company's memorandum of incorporation to be delivered by such company to the shareholder must be delivered by such company to –
 - 6.1. the shareholder, or
 - 6.2. the proxy or proxies if the shareholder has in writing directed the relevant company to do so and has paid any reasonable fee charged by the company for doing so.
7. A proxy is entitled to exercise, or abstain from exercising, any voting right of the relevant shareholder without direction, except to the extent that the memorandum of incorporation of the relevant company or the instrument appointing the proxy provide otherwise.
8. If a company issues an invitation to shareholders to appoint one or more persons named by such company as a proxy, or supplies a form of instrument for appointing a proxy –
 - 8.1. such invitation must be sent to every shareholder who is entitled to receive notice of the meeting at which the proxy is intended to be exercised;
 - 8.2. the company must not require that the proxy appointment be made irrevocable; and
 - 8.3. the proxy appointment remains valid only until the end of the relevant meeting at which it was intended to be used, unless revoked as contemplated in section 58(5) of the Act.
