## **DIVIDEND RE-INVESTMENT PRICE AND CONFIRMATION OF FINALISATION INFORMATION**

---

Shareholders are referred to the Company's provisional results announcement for the year ended 31 March 2017 released on SENS on 13 June 2017 ("**the Declaration Announcement**"), which contained information relating to the declaration of a gross cash dividend of 45.01 cents per share ("**Cash Dividend**") and the entitlement of shareholders to elect to re-invest the Cash Dividend in return for Stor-Age Shares ("**Share Alternative**") and are advised that the reinvestment price is R11.30 per share.

The Reinvestment Price is based on an approximate 2.2% discount to the closing price / 5-day volume weighted average traded price (less the Cash Dividend of 45.01 cents per share) at the close of business on Monday, 26 June 2017.

The ratio in respect of the Share Alternative is 3.98319 shares for every 100 shares held on the record date by South African resident shareholders exempt from dividend tax and 3.18655 shares for every 100 shares held on the record date by non-resident shareholders subject to dividend tax at 20%.

Where a shareholder's entitlement to the shares in relation to the Share Alternative, calculated with reference to the above share ratio, gives rise to an entitlement to a fraction of a new share, such fraction will be rounded down to the nearest whole number with the cash balance of the dividend being retained by the shareholder.

### **Dividend withholding tax ("Dividend Tax") implications:**

#### ***Dividend Tax implications for South African resident shareholders:***

Dividends received from a Real Estate Investment Trust ("**REIT**") are exempt from Dividend Tax in the hands of South African resident shareholders provided that the shareholders have provided the requisite declaration as to residence as detailed in paragraph 5.2 of the circular to Stor-Age shareholders dated 12 June 2017 ("**Circular**"). South African resident shareholders who have submitted the requisite documentation and are exempt from Dividend Tax, will accordingly receive a net dividend of 45.01 cents per share.

#### ***Dividend Tax implications for non-resident shareholders:***

Dividends received from a REIT by a non-resident shareholder are subject to Dividend Tax at 20%, unless the rate is reduced in terms of any applicable agreement for the avoidance of double taxation ("**DTA**") between South Africa and the country of residence of the non-resident shareholder. A reduced dividend withholding tax rate in terms of the applicable DTA may only be relied upon if the non-resident shareholder has provided the requisite documentation as detailed in paragraph 5.2 of the Circular. Non-resident shareholders who have not submitted the requisite documentation, and

assuming that a Dividend Tax of 20% is applicable, will accordingly receive a net dividend of 36.008 cents per share.

An example of the impact of Dividend Tax is illustrated below:

	<b>South African resident shareholders exempt from Dividend Tax</b>	<b>Non-resident shareholders subject to Dividend Tax at 20%</b>
Dividend per share (cents)	45.01	45.010
Dividend Tax per share (cents)	0.00	09.002
Total net dividend per share (cents)	45.01	36.008
Reinvestment Price(R)	11.30	11.30
New shares to be issued (per 100 shares)	3.98319	3.18655

As the Cash Dividend or the Share Alternative may have tax implications for resident and non-resident shareholders, it is suggested that shareholders consult their professional advisers in this regard.
